

EEPC India (Engineering Export Promotion Council)
6th International Engineering Sourcing Show (IESS)
Chennai, India from 16-18 March 2017

EEPC India (Engineering Export Promotion Council) , under the aegis of Ministry of Commerce & Industry, Government of India is organising 6th IESS (International Engineering Sourcing Show) 2017 for Canadian and Quebec companies in Chennai, India from 16-18 March 2017.

IESS 2017 will be the Biggest Trade & Investment focused event in South India and will help companies to explore Trade / Joint Venture / Investment opportunities with India.

EEPC are interested in exploring an opportunity to bring a Structured Business Mission to Chennai, India on these dates. Participating companies will get an exclusive opportunity to:

- a. Participate in b2b meetings (Trade / JVs / Investments)
- b. Show-case business opportunities at the booth space in exhibition
- c. Be a part of exclusive 1 day Business Conference

The Government of India support initiative shall include complimentary hotel stay / partial airfare reimbursement for the visiting delegates.

As the event is in March 2017, IESS can also consider organising your National Convention meeting in Chennai during IESS 2017.
